Aspiring full-stack developer passionate about software development. Proficient in the MERN stack, I build robust REST APIs with Node.js and Express, integrate MongoDB for efficient data management, and create responsive UIs using React, Bootstrap, and Tailwind CSS.

## Education

<b>HANSRAJ COLLEGE, DU</b> B.Sc(H) Computer Science	2022-2025 GPA : 7.68
<b>U.P Kirana Seva Samiti Vidyalaya</b> XII(ISC)	2022 94.25%
<b>U.P Kirana Seva Samiti Vidyalaya</b> X(ICSE)	2020 92.60%

## Personal Projects

<b>WANDERLUST</b> <a href="#">Project Link</a>	2024-Present
•Developed a secure web app for managing Airbnb listings ( <b>add, edit, delete</b> ), displaying locations on an <b>interactive map</b> , and enabling <b>authenticated users</b> to <b>leave reviews</b> on other listings. • <b>Technologies Used</b> : HTML, CSS, JavaScript, Bootstrap, Node.js, Express, MongoDB.	
<b>BUDGET BUDDY</b> <a href="#">Project Link</a>	2024-Present
•Built a <b>full-stack expense management app</b> with secure authentication, allowing users to <b>add, edit, track expenses</b> , and visualize spending patterns through <b>integrated charts and graphs</b> . • <b>Technologies Used</b> : HTML, CSS, JavaScript, Node.js, Express, MongoDB, React.	
<b>SHARPIFY</b> <a href="#">Project Link</a>	2024-Present
•Developed an <b>AI-powered</b> image processing tool using deep learning models ( <b>CNNs, CycleGANs</b> ) and designed a <b>full-stack solution</b> with a responsive UI for seamless <b>image deblurring and translation</b> . • <b>Technologies Used</b> : Python, PyTorch, OpenCV, Node.js, Express.js, MongoDB, HTML, CSS, Bootstrap.	
<b>NEWSBIRD</b> <a href="#">Project Link</a>	2025-Present
•Developed a <b>dynamic news app</b> that fetches real-time news from NewsAPI, featuring <b>category-based filtering, infinite scrolling, a top-loading bar</b> , and seamless navigation using <b>React Router</b> . • <b>Technologies Used</b> : React, Vite, React Hooks, React Router, NewsAPI, CSS, Bootstrap.	

## Positions Of Responsibility

### Vice-President at Ostraca, Hansraj College

• As Vice President at Ostraca, Hansraj College, I lead and organize workshops and events, guiding a vast community of writers and encouraging creative expression.

## Certificates

- Problem Solving (Basic) - **HackerRank**. [Link](#)
- Problem Solving (Intermediate) - **HackerRank** [Link](#)
- Node.js (Basic) - **HackerRank**. [Link](#)

## Technical Skills

**Programming Languages:** C++, Python (Basic), Java (Basic), JavaScript

**Web Development:** MongoDb, Express.js, React.js, Node.js (MERN Stack) ,**Frameworks:** Bootstrap,Tailwind CSS

**Data Structures & Algorithms:** 250+ problems solved on LeetCode

**Version Control:** Git, GitHub
